Mental Health Reminder

Get Dressed

Even if it's just into comfort clothes, this will help you feel more productive and less in a rut.

Do Your Hair/Makeup

Even if you're not going anywhere this can help make you feel "normal" in a very chaotic time. People also often feel relaxed when doing hair or makeup and you deserve that.

Eat New Healthy Recipes

If you can, eat a variety of food and try different recipes. This will give your day variety and keep your body feeling healthy

Get Some Fresh Air

Fresh air will help you not feel so cooped up or "stuck" in your home. Getting outside would be best but even standing at a window will be beneficial.

Be Creative

Try doing new activities or bring back old ones. Getting creative is a great way to keep your spirits up and your mind relaxed.

Unplug

Everyone everywhere is talking about the virus. Turn off your devices and get some well deserved time away.

Stay Connected

Even though we can't go visiting, make sure you stay connected. A good way is Video chatting or even just a phone call. This will help you and the people you are talking to feel less isolated.

Reach Out

Mental health is always important but it is especially important during times like this. Reach out if you need to and remember to check in with your friends and family. We are all in this together!

If you need help with your shopping or collecting your medication please see below the support in your area

Easy classic lasagne

PREP TIME : 15 mins

COOK TIME : 1 hour

Ingredients

1 tbsp olive oil
2 rashers smoked streaky bacon
1 onion, finely chopped
1 celery stick, finely chopped
1 medium carrot, grated
2 garlic cloves, finely chopped
500g beef mince
1 tbsp tomato purée
2 x 400g cans chopped tomatoes
1 tbsp clear honey
500g pack fresh egg lasagne sheets
400ml crème fraîche
125g ball mozzarella, roughly torn
50g freshly grated parmesan
large handful basil leaves, torn (optional)

METHOD

- Heat the oil in a large saucepan. Use kitchen scissors to snip the bacon into small pieces, or use a sharp knife to chop it on a chopping board. Add the bacon to the pan and cook for just a few mins until starting to turn golden. Add the onion, celery and carrot, and cook over a medium heat for 5 mins, stirring occasionally, until softened.
- Add the garlic and cook for 1 min, then tip in the mince and cook, stirring and breaking it up with a wooden spoon, for about 6 mins until browned all over.
- Stir in the tomato purée and cook for 1 min, mixing in well with the beef and vegetables. Tip in the chopped tomatoes. Fill each can half full with water to rinse out any tomatoes left in the can, and add to the pan. Add the honey and season to taste. Simmer for 20 mins.
- Heat oven to 200C/180C fan/gas 6. To assemble the lasagne, ladle a little of the ragu sauce into the bottom of the roasting tin or casserole dish, spreading the sauce all over the base. Place 2 sheets of lasagne on top of the sauce overlapping to make it fit, then repeat with more sauce and another layer of pasta. Repeat with a further 2 layers of sauce and pasta, finishing with a layer of pasta.
- Put the crème fraîche in a bowl and mix with 2 tbsp water to loosen it and make a smooth pourable sauce. Pour this over the top of the pasta, then top with the mozzarella. Sprinkle Parmesan over the top and bake for 25–30 mins until golden and bubbling. Serve scattered with basil, if you like.
